Coaches of small schools,

I would love to have your athletes at Hanna on August 24th for a **practice meet with awards.**

Our course is a low level intensity course. The High School Girls down to elementary will do one lap (1 Mile) and the High School boys will do two laps (2 Mile). We are land locked so the course is entirely on school property. **Due to the heat will start early and get out ASAP.** We will accept any 2A and below school but you must email, we have a small group that will be allowed, **you are not entered until you receive confirmation!**

We will give 10 medals to each of the following divisions. Because we are not equipped for many schools, this will be an excellent early season meet to help your students prepare for the season.

IMPORTANT!

Parking in front of the gym on 2nd street, all visitors & teams must walk across campus to the baseball field on 3rd street. Restrooms will be located in the school, access on the North Entrance.

3rd street will be BLOCKED with no access to the field area.

PLEASE DO NOT COME DOWN 3rd STREET and please make sure your fans know. If they turn on 3rd street they will be required to back and the road is narrow.

We want everyone to enjoy themselves and no one being upset because they were unaware of the parking situation. This allows us to ensure the safety of athletes and spectators and appreciate your help.

When runners finish the race – water will be made available to them.
